MSCI MEMBERSHIP GUIDELINES

As an ongoing and annual condition of membership in MSCI, all members (irrespective of their category) are expected to fulfill and comply with all policy statements and guidelines (“Guidelines”). While the entirety of those Guidelines can be found and reviewed on the MSCI website (www.msci.org), examples of those Guidelines include, but are not limited to:

- If a member receives or subscribes to certain MSCI data reports whose access is restricted within their member companies (and may not be distributed or disseminated to third parties), then the member may forfeit the right to continue to receive said reports (or membership may be revoked) if such improper disclosures are made;
- MSCI has a strong commitment to antitrust compliance (an example of one of the Institute’s policy statements is attached hereto) and all members are expected to comply with said anti-trust policies at MSCI sponsored events and conferences. Failure to do so may result in revocation of membership in the Institute;
- All members in leadership positions within the Institute (e.g., the Board of Directors, Chapter Officers & Directors, Council members, etc.) are expected to comply with a Code of Conduct in connection with their duties. If representatives of members or their guests do not comply with that Code of Conduct with respect to their interactions with other members or MSCI staff, then MSCI reserves the right upon proper notification to suspend membership privileges upon violations of this Code of Conduct;
- All members are expected to insure that representatives of their companies adhere to MSCI policies on the proper use of MSCI intellectual property, including MSCI trademarks and logos;
- Conference registrations include certain requirements (e.g., no recording or videotaping; proper display of registration badges at all times for members and guests) for both member representatives and their guests (e.g., spouses). In addition, many of our hotel conference host properties and hotels post their own set of guidelines. Refusal to abide by these regulations may result in suspension of conference or membership privileges.

Prior to submitting your annual dues for membership, MSCI encourages members and prospective members to review these various policies, some of which are outlined above. If a member or potential member applicant company has any questions about these policies or Guidelines, some of which are outlined above, please feel free to contact an MSCI staff member.

Thank you for your continued interest and participation in the Metals Service Center Institute, the premier metals trade association in North America. With your continued involvement and support, MSCI can continue to expand its prominence in the coming year.
