MSCI – Washington Chapter Luncheon & Metals Industry Overview

Thursday, May 24th, 2018
12:00 PM – 2:30 PM

Presenting Special Guest
Bob Weidner – MSCI President & CEO

Members, Associates, and Guests of the Washington Chapter of the MSCI

We are pleased to welcome back Bob Weidner, National President and CEO of the MSCI, to the Seattle area on Thursday, May 24th. Bob will share his unique and factual perspective on our industry, from both a national and local level. He will review current trends and what the recent events in Washington D.C. mean for our metals industry. Tariffs, tax overall and more! He will review 2017 and what the recent changes in Washington D.C. and the current Administration mean for our industry in 2018 and beyond. There is a lot going on, so this will truly be an informative event. This is also a great opportunity for you to meet and greet your colleagues who are a part of our Washington metals community.

The event this year will be held at Ruth’s Chris Steakhouse in Bellevue, WA.
