RESTAURANTS & BARS

Stories Fine Dining Establishment

Taking its name from its lofty perch on the second story overlooking stands of pecan trees and the impressive literary history of Bastrop, Stories dishes up layers of gourmet Texas flavors with a menu that changes frequently in order to showcase fresh, local and seasonal ingredients. This fine dining establishment includes a private dining room for 14 and an extensive wine list with bottles and by-the-glass selections.

Firewheel Cafe

Named for the bold wildflower that makes Texas its home, Firewheel is an airy and open restaurant that reflects its namesake in both design and flavor. Bright stained glass windows created by Bastrop artist Nancy Beal, walls of glass patio doors and vibrant, handmade chandeliers set the scene for this casual, three-meal-a-day dining spot.

Old Buck's Place

Located inside the water park beside the Crooked River, this outdoor grill serves refreshing drinks and tasty fare – making it possible to sate your appetite and quench your thirsts while enjoying sunshine and keeping cool by the pool.

Shellers Barrehouse Bar

Inspired by old-fashioned Texas piano saloons and the musicians that made them popular, Shellers offers a slice of the “Live Music Capital of the World.” Sip on Texas brews and cocktails or savor a tasty burger while enjoying regular live performances from Texas musicians.

McDade's Emporium and Ice Cream Saloon

A visit to McDade's proves to be a stroll down memory lane. Here, guests can get a feel for the “good ole days,” buy candy by the pound, sip milkshakes and indulge in ice cream sundaes made with local Blue Bell ice cream. McDade's is also the go-to for Starbucks coffee, pastries, sandwiches, salads and other noshes, as well as a selection of local goods, gifts and sundries.

Major Neighbors Grill

This refined “19th hole” gives golfers and resort guests a place to unwind while enjoying the tranquil surroundings and prime views of Wolfdancer Golf Club. The venue's rich yet relaxed atmosphere features mahogany millwork, comfy leather seats and a crowd-pleasing menu that makes an inviting dining space for all.

Tiny's Range House

This outpost on the Wolfdancer Golf Course, which is located by hole Nos. 1 through 10, makes it easy to grab a bite while touring the stunning fairways and greens. Full beverage service is also available from mobile beverage carts that move about the course.

Scribes Club

Scribes is best described as a cozy, library-style lounge that pays tribute to the long-standing tradition of Texas literature. After a full day of meetings and activities, guests can kick back in this intimate space reminiscent of a private residential den. With an inviting fireplace and array of comfortable seating, Scribes is perfect for conversing with colleagues, reading and playing games with family and friends, or savoring a coffee or cognac.

GOLF

Designed by Arthur Hills/Steve Forrest and Associates, the 7,205-yard, par-72 Wolfdancer Golf Club was named after the Native American Tonkawa, who hunted and fished along Lower Colorado River long before Texas was a republic. The Tonkawa were sometimes called “wolf people” because they performed ceremonial dances covered in wolf skin, imitating the behavior of wolves by dancing on all fours.

- The award-winning Wolfdancer, whose stunning course layout took its cues from the natural landscape, tests a golfer’s skills across a mix of three distinct terrains: rolling prairie land, heavily wooded ridgeline and river valley dotted with native pecan trees. The dramatic layout is also cut by the Lower Colorado River, which runs alongside the course’s memorable finishing holes.
- With five sets of tees ranging from 7,205 yards for the scratch golfer to 4,953 yards on the forward tees for the novice or beginner, Wolfdancer ultimately provides a tough but fair challenge for players of every level. Thanks to its compelling design and championship-quality conditioning, the course has become a favorite among local Tour players and amateurs alike.
- Wolfdancer’s 13-acre practice facility and team of PGA-certified professionals allow all golfers the opportunity to work on and improve their game while on site.

The amenities of this world-class golf club include:

- 18-hole, par-72 7,205-yard course designed by Arthur Hills/Steve Forrest and Associates
- 13-acre practice area

SPA DJANGO

Designed to awaken the senses, the 18,000-square-foot Spa Django is home to 18 treatment rooms, a full-service salon and more than 50 treatments and services. Amenities are plentiful, including a tranquil and picturesque adults-only pool and whirlpool and lounging deck, as well as a boutique with spa goods, gifts and accessories.

SPA INFORMATION

Spa Django's name was inspired by the Romany gypsy word *django* (which translates literally as "I awake"), as well as the legendary Belgium-born guitarist Django Reinhardt, whose captivating gypsy-jazz style heavily influenced the evolution of music in Texas and around the world. Additional inspiration for the name of this spa destination stemmed from the surrounding Lost Pines landscape, the history of gypsy culture of Bastrop and the vibrant music scene of Austin.

Here, guests are invited to renew body, mind and spirit and encouraged to discover the harmony to be found within them and in the surrounding world. As a destination, Spa Django uniquely combines the dynamic energy of music, the sensation of healing touch, the restorative qualities of nature and the spirit of movement to help you relax, rejuvenate and awaken to new possibilities.

The passion and power of music – in addition to the gypsy traditions of motion and healing – influence every aspect of Spa Django to create a journey of the senses. Music complements each treatment, and guests are able to match music for their treatments to their mood, selecting from a diverse playlist of signature sounds from Austin, the state of Texas and beyond.

WILD HARE YOUTH SPA

Spa Django is also home to Wild Hare Youth Spa, whose special menu gives youth ages 16 and under the opportunity to enjoy a resort spa experience. Family hours are offered seasonally, granting children and teens access to locker room amenities with a parent or guardian and creating yet another way for family and friends to relax and bond while visiting Hyatt Lost Pines.
