

Dear MSCI Northern Ohio Chapter Members,

We hope that all of you, your colleagues and families are remaining safe and distanced from harm. We hope the day is coming soon when we can get together as a Chapter community.

As you know, the highlight of our year is awarding annual academic scholarships to children of our Chapter's member company employees. To date, the Northern Ohio Chapter has awarded 128 individual scholarships totaling over \$280,000 to 128 deserving young men and women, who in many cases were **your** employee's children from member companies shown below.

Some of our applicants do not work, but for those students who do, they often work in the food service industry or a small business who's has been hit the hardest during this pandemic. The Northern Ohio Chapter wants to award ten (10) \$2,000.00 scholarships. These students need us now more than ever! Thanks to the support of MSCI, we will maintain their contribution to our funds raised. More importantly, we need to raise funds for our 2020 scholarships, and equally important, to begin funding 2021 scholarships. It would be great to award more if possible and if everyone considered a donation to our drive, we might be able to do just that!

Due to the COVID-19 pandemic, we have cancelled our annual Golf Outing, our largest scholarship fundraiser. We will, though, have a joint outing with our AWMI Cleveland Chapter on August 3rd at Firestone Country Club.

Now more than ever the Northern Ohio Chapter needs your help funding our scholarships. I would ask to help us as much as you can so we can ensure we cover our 2020 applicants and set the chapter up for 2021. Along with many of our "NEW NORMAL" situations due to COVID 19, fundraising is no different. Our limited abilities this year puts all of us in an uncertain time, I hope your company can help clear some of those uncertainties with a donation. If each company committed to a scholarship donation, in lieu of playing in the

tournament, buying raffle tickets, 50/50 tickets and other on-course games, we could reach our anticipated goal of \$20,000.00 which is our average contribution to the program.

The Northern Ohio Chapter Board certainly understands that our members are experiencing extraordinary uncertainty and change due to COVID-19. But we all must work together to sustain our Chapter community. Your contribution will go a long way to ensuring the Northern Ohio MSCI Chapter Scholarship Program will support deserving young men and women, children of our companies' employees, in 2020 and 2021.

Make your contribution today on our scholarship donation site: [MSCI Scholarship DonorBox](#). Be sure to select **Northern Ohio Chapter** in the drop-down menu. You will receive a receipt directly from DonorBox. Companies and individuals are welcome to donate.

Thank you in advance for your generosity! Stay safe!

Best regards,

Jerry Gideon

President, MSCI Northern Ohio Chapter
