

July 24, 2020

Dear Indiana MSCI Chapter Members and Friends:

We hope this letter finds everyone continuing to be safe and well. We know the day is soon coming when we can get together as a Chapter community again.

The highlight of our year is awarding the annual academic scholarships to children of our Chapter's member company employees. To date, the Indiana MSCI Chapter has awarded over \$267,000.00 dollars to deserving young people, who, in many cases were your employee's children.

Here are some of the Chapter's member companies whose children have benefitted from your donations: Alro Steel, O'Neal Industries, Westfield Steel, Olympic Steel, ABC Metals, Steel Dynamics, Nucor Corporation, and Omni Source.

The good news is the 2020 applications have been received from deserving students who need our support. We plan to award 25 scholarships just as we did last year. Thanks to the support of our MSCI community, we will maintain our scholarship contribution level like 2019, but we need to *raise at least \$15,000.00 dollars* to help fund the 2020 scholarships, and equally important, to begin building the fund for the 2021 scholarships.

Unfortunately, due to the on-going COVID-19 uncertainties, our Board of Directors has decided to **cancel** our annual Golf Outing, our largest scholarship fundraiser. If each MSCI member company committed to a scholarship **donation**, in lieu of playing in the tournament, buying raffle tickets, 50/50 tickets and other on-course games, we could reach our anticipated goal of \$15,000.00 dollars. A minimum donation of **\$1,000.00 dollars** per company would allow us to reach our goal. Many companies provide much higher contributions to the tournament as sponsors and attendees. We are asking for the minimum; however, higher donations would be gratefully appreciated.

The Indiana Chapter Board certainly understands our members are experiencing extraordinary uncertainty and change due to COVID-19. We need to work together to sustain our Chapter community. Your contribution will go a long way to ensuring the Indiana Scholarship Program will be able to continue to support deserving brilliant people of our companies' employees in 2020 and beyond.

Please make your contribution today on our scholarship donation site: [MSCI Scholarship DonorBox](https://donorbox.org/msci-scholarship-program). **Be sure to select Indiana Chapter in the drop-down menu.**  
<https://donorbox.org/msci-scholarship-program>

You will receive a receipt directly from DonorBox. Companies and individuals are welcome to donate as well.

Thank you in advance for your generosity!

All our best,

Your Indiana MSCI Board of Directors

Steve Boggs  
President, Indiana MSCI Chapter

**MSCI Mission Statement** *Our mission is to build a community of industrial metals companies and related organizations that support the membership; provide meaningful intelligence about the industry and how it will evolve; and promote the essential importance of the service center industry to the North American economy.*
