Dear Cincinnati Chapter Members:

As you know, our annual golf outing for the MSCI Cincinnati Chapter Scholarship Golf Outing originally scheduled for September 21, 2020 was cancelled due to the novel coronavirus (COVID-19). The safety and welfare of our colleagues, employees, club staff and all attendees are paramount to having this event. Yes, I'm very disappointed! However, these are very ***Extraordinary Times Which Require Some Extraordinary Action.***

This event has always been one of our yearly highlights, not only for the fun and comradery, but more importantly for the funds we raise for the Scholarship Program. **Since 2007, the Cincinnati Chapter has awarded 163 scholarships totaling \$283,000 to deserving young men and women, who in many cases were your or your employee's children.**

Fortunately, we were still able to move forward with awarding scholarships that were promised earlier in the year, which is 12 scholarships @ \$2,000/ student. As such we are introducing a ***donation program*** for the chapter with the support of the MSCI National office to help us raise money for member companies' college bound students for 2020-2021. The site to donate for scholarships can be found at <https://donorbox.org/msci-scholarship-program>. Make sure to pick the **Cincinnati chapter** in the drop-down box. It is open to companies and individuals. Beneficiaries of Scholarships to students of member companies since 2007:

2007-2020 - Member Companies
AK Steel Cleveland-Cliffs Company
Alro Steel – Jackson
Benjamin Steel Company, Inc.
Coilplus, Inc.
Constellium
EMJ
Kloeckner Metals
Lapham-Hickey Steel Corp.
North American Stainless
Nucor Corporation
O'Neal Industries
Reliance Steel & Aluminum
Ryerson
Ruan Transport Corporation
Schupan & Sons, Inc.
Worthington Industries, Inc.

At this point in time, we have not scheduled any events for the balance of the year. We will wait to see how Ohio moves forward in the coming months and are hopeful we can see our metal industry peers for a 2021 kick-off!

If you have any questions, please contact me at joe.cress@worthingtonsteel.com or at 614.840.3299.

Thanks in advance for your donations. ***Extraordinary Times Require Extraordinary Action!***

Kind Regards,

Joe Cress
