

Join the MSCI Central NY Chapter
for the
Virtual Steel Bar and Structural Products Training and Mill Tour
Hosted By

Register Now

Participants will receive an introduction to steelmaking including casting, rolling and finishing as well as a virtual tour of Nucor Auburn. This event is particularly relevant to employees involved in purchasing and sales. It is especially beneficial for those with less than five years of industry experience and/or those new to bar and structural products.

Please note that participation in this program is limited to MSCI members only.
