

MSCI – Washington Chapter Dinner & Metals Industry Overview

Wednesday, June 15th, 2022

5:30 PM - 9:00 PM

Presenting Special Guest
Bob Weidner – MSCI President & CEO

Members, Associates, and Guests of the Washington Chapter of the MSCI

We are pleased to welcome back Bob Weidner, National President and CEO of the MSCI, to the Seattle area for the first time in three years on Wednesday, June 15th. Bob will share his unique perspective on the metals industry, from both a national and local level. He will speak about current industry trends, developing and recruiting talent, and what new policies might mean for our metals industry. Tariffs, Tax Overall and more! Bob will review 2021 and what the recent events around the World and in Washington D.C. mean for our industry in 2022 and beyond.

There is a lot going on, so this will truly be an informative event. This is also a great opportunity for you to meet and greet your colleagues who are a part of our Washington metals community.

The event this year will be held on a classic Seattle Dining Cruise departing at 6:00 PM from:
