Hole Sponsorships

The MSCI British Columbia Chapter relies on the generosity of our hole sponsors in funding scholarships for dependents of our local members. Since 2009, the MSCI BC Chapter has awarded 48 scholarships totaling \$93,570 to the children of the chapter's member company employee attending trade school, college, and graduate school. This year, with your help, we hope to increase our attendance and raise \$25,000 towards the scholarship fund.

Please consider sponsoring this important local industry event. Your company will be acknowledged with a professionally made sign posted at your sponsored hole. In addition, you will be recognized on our rules sheet, as well as various opportunities throughout the day.
