### WHIR-LY-BALL (hwúr lee bôl)

WhirlyBall is a combination of jai alai, basketball and hockey, using a machine you're more apt to see at an amusement park.

The object is to take a whiffle ball from one end of the floor to the other, hit a 15-inch backboard target that is suspended about 10 feet above the floor and score more points within the game time of 15 minutes.
