March 24, 2025

Greetings Fellow Supporters of the Metal Service Center Institute,

The MSCI MB/SK Chapter's 10th Annual Golf Tournament is fast approaching, and we are seeking your support for our fundraising efforts. For 2025, we will be holding a "Silent Auction" raffle draw and are in need of prize donations, both big and small, to help raise additional funds for our scholarship program.

Over the past 10 years, our fundraising activities have provided over 150 scholarships totaling \$232,500 to deserving children of our industry members.

Your generous donations will be recognized at our event, showcasing your valuable participation.

If you wish to contribute to our event, please contact Greg Kirsch at gkirsch@mkcanada.com or via mobile at 204-890-7642 to make arrangements. We kindly ask for all donations to be submitted on or before June 2nd to help us prepare for our event on June 11, 2025.

Thank you for your continued support.

D. Greg Kirsch
President
Metals Service Center Institute
Manitoba/Saskatchewan Chapter
